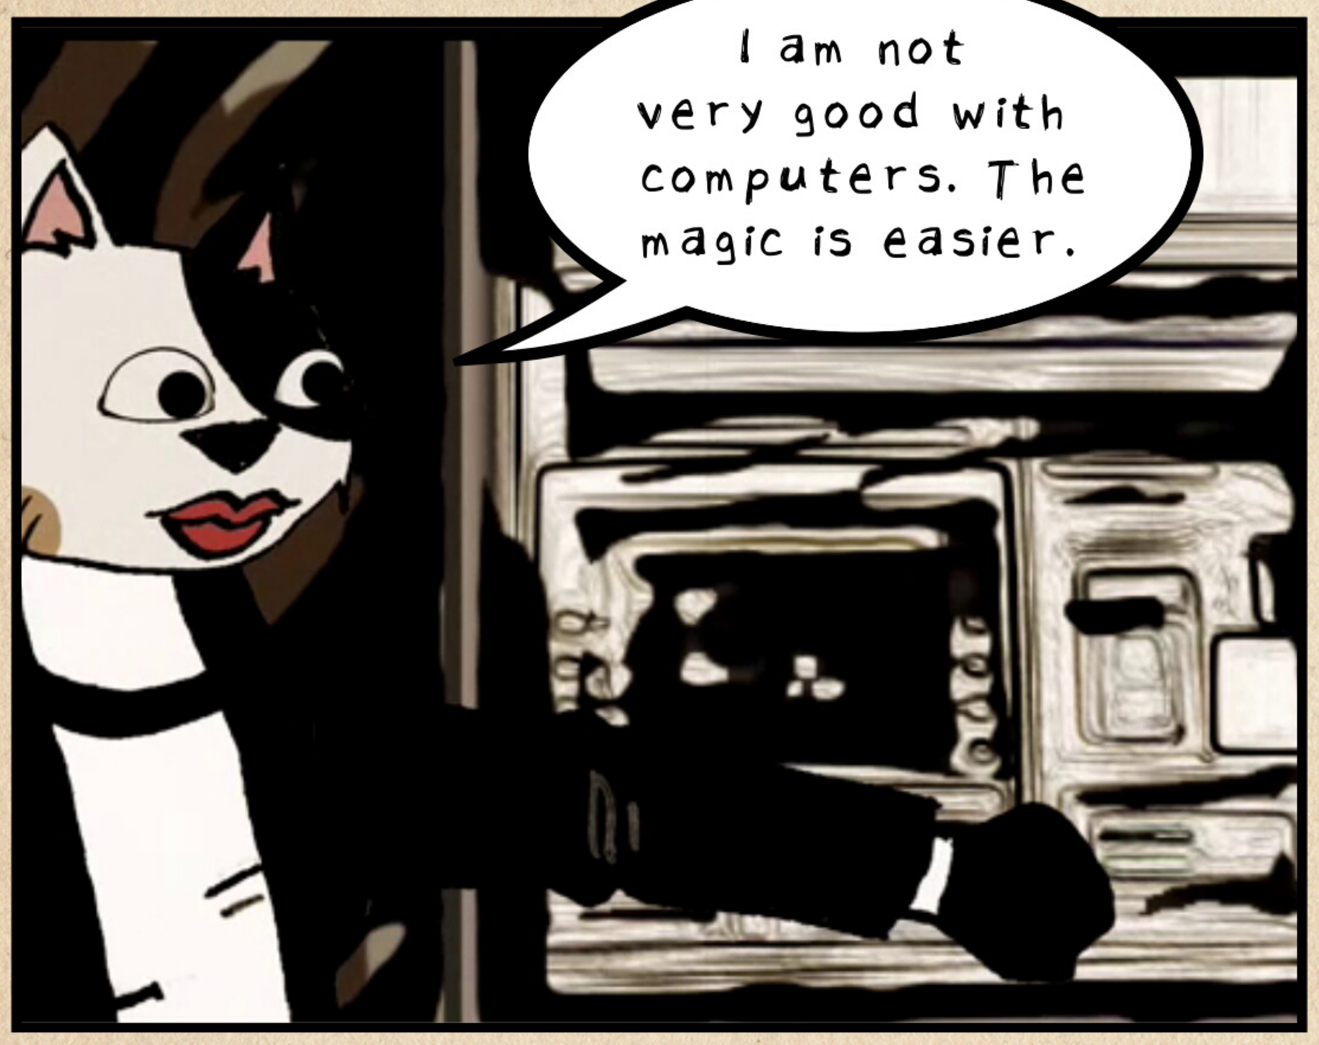
BLAISE KOLODYCHUK PRESENTS:

THE NANDI BEAR TENANTS

DORRISS AND NAIAD ARE IN THE MYSTERIOUS EMPTY CITY...

So far there hasn't been any sign of life in this place.
Yeah, it's pretty strange, and kind of spooky. I'm not even sure where to start. As soon as we entered the city our tracking device got too much interference to work!
I got an idea, this looks like some kind of computer system, I think I can use my magical powers to get some information out of it.
Can't you just hack into the computer system?



Actually yes, I know exactly where to find them. They have been captured and are being held prisoner!

SUDDENLY THERE IS AN ALARMING SOUND!

BEEP! BEEP! BEEP! BEEP! BEEP! BEEP! BEEP! BEEP! BEEP! BEEP!

What is that sound? It's so alarming!

I think it IS an alarm! Quick lets hide in this doorway.

AS OUR TWO HEROES WATCH IN SHOCK, THE CITY OF XEVIOID FILLS UP WITH ROBOTS, WHO SEEM TO BE BATTLING EACH OTHER!

THE XEVIOID LEADER'S VOICE BOOMS OVER LOUDSPEAKERS IN THE CITY...

ATTENTION CITIZENS, DO NOT GO ABOVE GROUND TO THE CITY. WE ARE BEING ATTACKED BY THE TARPLE ROBOTS!

HAVE NO FEAR CITIZENS, OUR OWN ROBOT FORCES WILL DEFEAT OUR ENEMIES!

Man, what have we stumbled into here?

I'm not sure, but we need to find Veltrax and Klor without running into any crazy robots!

Very carefully.

How do you suggest we do that?

MEANWHILE BACK ON EARTH, WE FIND ROSE AND RICK THE GIANT GLOWING HEAD IN THE ABANDONED EAST WING OF THE MINEHEAD ORPHANAGE...

It sure would have been wonderful to turn this place into a cafeteria. It s what I have dreamed about my whole life.

Wait, your life long dream is to run a cafeteria?

Don't judge bro, you know it would have been great.

Yes, it truly would have. But no use dwelling on something that is

You're right old friend, lets get back to those wonderful 7 kids.

BUT WHEN ROSE AND RICK THE HEAD TURN TO HEAD BACK, THERE IS A BLINDING FLASH OF LIGHT, AND BEFORE THEM STANDS THE GHOST OF NANDI BEAR.

Hey you two, why so glum?

Auntie Nandi Bear! I haven't seen you since your mansion burned to the ground and we were all forced to live somewhere else!

Yes, sorry about the fire, I hope you have found somewhere else lovely to haunt.

Well, I did love that old house very much, and it is very sad that it is now gone. But it wasn't the only property I owned.

Really? What other property do you own?

Well, this building for instance. I bought it many years ago when it was a newspaper office. And it stayed mine all these years.

So what you are saying is...

What I'm saying is that you are all still my tenants. And it's lovely to have you.

Well this is very exciting news, the gang was going to start calling themselves the Minehead Orphanage Tenants. But Nandi Bear Tenants has a better ring to it.

I woul d whole heartedly agree. But that's not the only reason I have appeared before you today.

Then why are you here? Are you going to start charging us rent?

Not exactly, I wanted to tell you to go down into the cellar, and look for a portrait of a baby kitten hanging. You will find an interesting surprise behind it.

What's the surprise?

You have to find out for yourself! Have fun! Bye!!

WHEN WE LAST SEEN OUR HEROES, THE XEVIOID CITY WAS UNDER ATTACK AND RIVAL GROUPS OF ROBOTS WERE TRYING TO DEFEAT EACH OTHER, DURING ALL THIS MADNESS DORRISS AND NAIAD SECRETLY MADE THEIR WAY TO THE PRISON CELL WHERE THEIR BEST FRIEND'S VELTRAX AND KLOR ARE BEING HELD CAPTIVE!

Dar
n it
Dorriss, none of our powers seem to have any effect on these doors!

It's okay ladies, I know you tried your best. Me and Klor will just rot in this alien prison for the rest of our lives.

Don't be too dramatic or anything there fuzzy-face.

As silly as Veltrax is, he may be right if we can't find a way to escape this cell!

SUDDENLY A MONITOR SCREEN DROPS DOWN FROM THE CEILING IN FRONT OF DORRISS AND NAIAD, ON IT IS THE FACE OF THE XEVIOID LEADER!

Ha! You fools! This door is made from the most powerful substance in the galaxy! There is no way you will be able to break your Tarple friends out of the Xevioid prison!

Wait, why do you this we are Tarples? We are from planet Earth.

So you say, but why else would you be sneaking around our city if you weren't trying to steal our precious magical stones!

What? You got it all wrong. We are all here from planet Earth to rescue a missing astronaut. We didn't even know anyone lived on this planet.

This is what we have been telling you the whole time!

Why should I believe you?

I don't know, maybe just ask the Tarple people if we are one of them?

Excellent idea, we shall get to the bottom of this yet.

SHE RINGS UP THE TARPLE LEADER.

Hello, is this the diabolical Tarple Leader?

Well, it's me, the Tarple Leader, Margaret. I wouldn't classify myself as diabolical though.

You are my sworn enemy. And I want you to see that we have captured your top spies! So give up now and call off your robot army!

Look. Janet. I've never seen those people before in my life, and honestly I don t care what you do with them. I'll call off my robots if you share your magical stones with my people.

What do you need the magical stones for? Is it sunlight and vitamin D like the Xevioids?

No, no.. We need them to run our food replicating machines, and we are running out of them on planet Tarple. Our people are going to go hungry.

Janet! If you have lots of Magical Stones you should be helping the Tarples! Not waging war on them!

Well that's the problem, cat person, If I am going to be totally honest with you guys, we are running out too. And our people are scared what will happen to our underground society if we do. So... we don't have enough to spare.

You could have just told us that!

Yes, clear communication is important in all matters.

Well, it looks like you both have some serious problems to fix. And I might just know how to help!

TO BE CONTINUED...

"I WAS ASHAMED OF MY FACE

until Viderm made my dreams of a clearer skin come true in one short week"

(FROM A LETTER TO BETTY MEMPHIS SENT HER BY ETHEL JORDAN, DETROIT, MICH.)

If your face is broken out, if bad skin is making you miserable, here is how to stop worrying about pimples, blackheads and other externally caused skin troubles.

JUST FOLLOW SKIN DOCTOR'S SIMPLE DIRECTIONS

"I just want to be alone!" Is there anything more awful than the blues that come when your face is broken out and you feel like hiding away because of pimples, blackheads and similar externally caused skin troubles? I know how it feels from personal experience. And I can appreciate the wonderful, wonderful joy that Ethel S. Jordan felt when she found something that not only *promised* her relief—but *gave* it to her in just one short week!

When I was having my own skin troubles, I tried a good many cosmetics, ointments and whatnot that were recommended to me. I remember vividly how disappointed I felt each time, until I discovered the skin doctor's formula now known as the Double Viderm Treatment. I felt pretty wonderful when friends began to rave about my "movie-star skin." No more self-consciousness. No more having my friends feel sorry for me. The secret joy, again, of running my fingertips over a smoother, clearer skin.

Many women shut themselves out of the thrills of life—dates, romance, popularity, social and business success—only because sheer neglect has robbed them of the good looks, poise and feminine self-assurance which could so easily be theirs. Yes, everybody looks at your face. The beautiful complexion, which is yours for the asking, is like a permanent card of admission to all the good things of life that every woman craves. And it really can be yours —*take my word for it!*—no matter how discouraged you may be this very minute about those externally caused skin miseries.

A screen star's face is her fortune. That's why she makes it her business to protect her complexion against pimples, blackheads and blemishes. Your face is no different. Give it the Double Treatment it needs and watch those skin blemishes go away.

What Makes "Bad Skin" Get That Way?

Medical science gives us the truth about how skin blemishes usually develop. There are small specks of dust and dirt in the air all the time. When these get into the open pores in your skin, they can in time "stretch" the pores and make them large enough to pocket dirt particles, dust and infection. These open pores become infected and bring you the humiliation of pimples, blackheads or other blemishes. Often, the natural oils that lubricate your skin will harden in the pores and result in unsightly blemishes.

When you neglect your skin by not giving it the necessary care, you leave yourself wide open to externally caused skin miseries. Yet proper attention with the Double Viderm Treatment may mean the difference between enjoying the confidence a fine skin gives you or the embarrassment of an ugly, *un*beautiful skin that makes you want to hide your face.

The Double Viderm Treatment is a formula prescribed with amazing success by a dermatologist and costs you only a few cents daily. This treatment consists of two jars. One contains Viderm Skin Cleanser, a jelly-like formula which penetrates your pores and acts as an antiseptic. After you use this special Viderm Skin Cleanser, you simply apply the Viderm Fortified Medicated Skin Cream. You rub this in, leaving an almost invisible protective covering for the surface of your skin.

This double treatment has worked wonders for so many cases of external skin troubles that it may help you, too —*in fact, your money will be refunded if it doesn't.* Use it for only ten days. You have everything to gain and nothing to lose. It is a guaranteed treatment. Enjoy it. Your dream of a clearer, smoother complexion may come true in ten days or less.

Use your Double Viderm Treatment every day until your skin is smoother and clearer. Then use it only once a week to remove stale make-up and dirt specks that infect your pores, as well as to aid in healing external irritations. Remember that when you help prevent blackheads, you also help to prevent externally caused skin miseries and pimples.

Just mail your name and address to Betty Memphis, care of the New York Skin Laboratory, 206 Division Street, Dept. 33, New York 2, N. Y. By return mail you will receive the doctor's directions, and both

jars, packed in a safety-sealed carton. On delivery, pay two dollars plus postage. If you wish, you can save the postage fee by mailing the two dollars with your letter. Then, if you are in any way dissatisfied, your money will be cheerfully refunded. To give you an idea of how fully tested and proven the Viderm Double Treatment is, it may interest you to know that, up to this month, over two hundred and thirty-one thousand women have ordered it on my recommendation. If you could only see the thousands of happy, grateful letters that have come to me as a result, you would know the joy this simple treatment can bring. And, think of it!—the treatment *must* work for you, or it doesn't cost you a cent.
